FEATURING 100 SPECTACULAR PROJECTS

VUE HOTEL

Modern Zing

The flagship property in Beijing is in the Hutong district, near Hou Hai Lake. **Colin Seah, Founder-Director, Ministry of Design Pte Ltd** and his team undertook this as major adaptive-reuse exercise and have artistically transformed quasi-historic buildings from the 1950s. This intriguing hotel compound has

many inviting facets such as landscaped gardens, a bakery café fronting the bustle of the Hutong streets, a signature restaurant in an old warehouse, a rooftop bar overlooking the lake, a gym and over 80 rooms and suites, several with private gardens or with views overlooking the park or lake. ■
